

The Synod Participation Process

Copies of the Synod Participation Booklet have been sent to parishes. It is not possible to provide everyone with a copy, so it is also available on the Archdiocese's website www.wn.catholic.org.nz (see Synod '17 section on the homepage).

Before you decide upon your response read the section "Using this Document" in the Booklet. You can provide input on all the topics, a few of them or just one of them. Responses can be made by individuals or by groups. The topics in the Booklet are:

- Go you are sent...to find leaders
- Go you are sent...to the peripheries of society
- Go you are sent...to deepen our bicultural relationship
- Go you are sent...as members of the one Body of Christ (*ethnic diversity*)
- Go you are sent...to your own peripheries (*those who may feel unwelcome in the Church*)
- Go you are sent...to refugees and migrants
- Go you are sent...to care for creation
- Go you are sent...to fellow Christians
- Go you are sent...to accompany one another (*young people*)
